

MEDIAPOLIS PHYSICAL EDUCATION

PERSONAL WELLNESS CLASS GUIDE

MY GOAL AS YOUR PHYSICAL EDUCATION TEACHER:

To provide you with the opportunity to participate in a variety of physical activities while in my class. Activities such as yoga, pilates, abdominal exercises, hiking, walking, jogging, aerobics, weight lifting, and cardio machine exercises should provide enough variety that classes will not become boring. I want to provide you with the opportunity to learn many forms of physical activity, so that when you graduate high school, you will continue to be physically active throughout your lifetime.

MY GOAL FOR YOU AS PHYSICAL EDUCATION STUDENTS:

To participate with GOOD EFFORT in all activities that we do in class. Whether you are particularly good at a certain activity is not important – what is important is that you are doing that activity to the BEST of YOUR ABILITY. Although I know some students will only give a good effort and do things to the best of their ability because they want a good grade in this class, it is my hope that students will give a good effort and do things to the best of their ability because they know physical activity is an important part of living a healthy life and they enjoy the benefits of taking part in physical activity.

After attendance, students will be dismissed to the locker room to dress for class. Students will have a five-minute changing period and are to report back to the gym when they are done changing. Using the drinking fountain or restrooms is permitted at this time.

Students will be given 5-10 minutes at the end of class to shower and change into school clothes. Once a student is done changing, they are to report to the gym and wait for the dismissal bell to ring. **STUDENTS SHOULD NOT LEAVE THE GYM OR THE LOCKER ROOMS TO GO TO THE CONCOURSE!!!**

Only students who have a signed doctor's note excusing them from physical education activities, and who have given a copy of this note to the teacher, will be excused from a class activity.
