### *Student Learning Goals*

**As a result of their education, Mediapolis Community School students will be...**

- *Effective communicators* who are able to listen, speak, read, and write to clearly exchange ideas for various purposes.
- *Good problem solvers* who are able to apply mathematical, analytical, and logical reasoning to make appropriate decisions.
- *Responsible citizens* who are able to work cooperatively, creatively, and constructively to face the world's challenges.
- *Adaptable technology users* who are able to access, integrate, and create information in a variety of contexts.
- *Lifelong learners* who balance intellectual, artistic, and physical pursuits to maintain healthy living.
